About the Event:

“Guest Lecture Committee” of RIM had organized a Guest Lecture by Wayne Bento. Mr. Wayne Bento Heads Communication Design at Veeville, where he has handled internal communication programs for HSBC, Grant Thornton, Volvo, Ola to name a few. In the beginning of the guest lecture Mr. Bento made audience understand what it takes to make an excellent video resume, throughout the lecture there was ample number of video resumes shown to make the audience understand the ways in which a Video resume can be made on different scenarios. The whole session went on totally interactive, where students gave their views over the topic.

The guest lecture saw a crowd of 100 students, surely students did get a clear insight on making an excellent video resume in coming days.
