## **Greetings from Placement Team!**

It gives us immense pleasure to convey that our Final Placement Process has been successfully completed. Once again, this successful endeavor is a reflection of the academic consistency at the institute along with the outstanding aptitude and quality of the students. It goes a long way to prove the trust and the confidence that the corporate world presents on the institute and the students of MSRIM.

Despite the ongoing slowdown, we could achieve this feat. The process has been facilitated by the availability of a diverse pool of students for the variety of profiles offered by companies across different domains.

We would like to thank all stakeholders involved, as without their absolute support and help, this process would not have been completed effectively. Our heartfelt gratitude to all the recruiters who have shown immense faith in the skills and aptitude of the students of MSRIM, Bangalore.

We would also like to express our sincere thanks to our Top Management Team from Gokula Education Foundation, our Dean, Academic Head, Registrar, Faculty & Staff members, Student Coordinators who helped during the process and the alumni who have been a great source of support and encouragement in the smooth conduct of the placement.
